OHC
OXFORD HOUSE

OHC. EXCELLENCE IN ENGLISH SINCE 1974.

OHC taught its first student in 1974. Since then we've grown to be one of the largest and most respected English language teaching providers in the world.

Each year we provide life-changing opportunities for young adults and teenagers looking to improve their English skills overseas.

Proudly independent, we bring an innovative, experienced-based approach to education that fosters deeper human connections across cultures, language and geography.

ALWAYS ON

We're proud to connect 20,000+ students with the world every year. With 16 language teaching centres spanning five countries and three continents, you'll enjoy unrivalled 24/7 access from anywhere in the world. Each of our teaching centres is centrally connected too, allowing us to easily share skills, talent and ideas to help you access even greater opportunities and experiences.

STUDENTS FIRST

You are why we exist. As an OHC student, we're passionate about giving you the support you need to thrive at every stage of your English language journey – before, during and after your course. Our goal is to ensure you always feel welcome, inspired and supported.

CHANGE MAKERS

The world is constantly changing, and so are we. With a streamlined and independent management structure, we're agile and very flexible. If we find a better way to run or improve our English courses for you, we'll move quickly to make it happen. We love change and embrace it.

THE EXPERIENCE IS EVERYTHING

OHC specialises in learning environments that go far beyond the classroom. Our courses foster open-mindedness, cultural awareness and provide rich experiences that stay with you forever. You'll grow as an individual by learning a new language, in a new country, with new friends, whilst experiencing new adventures every day.

OXFORD HOUSE
CAIRNS

Tropical Cairns, voted as Australia's most welcoming city, is the gateway to the Great Barrier Reef and Daintree Rainforest. Cairns is a small, coastal city known for being very safe and friendly. Students can work, live and study in the city. Everything is convenient. The cost of living is significantly cheaper than other Australian study and work destinations. Transport (students can walk or cycle easily), accommodation (share houses) and groceries are all more reasonably priced. The school is located within walking distance of the city centre, is modern, air-conditioned and has its own garden courtyard.

OXFORD HOUSE
COURSES

GENERAL ENGLISH

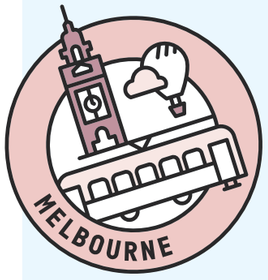
Overview
Students join multi-national language classes and study 15 hours per week, following a syllabus closely mapped to the Common European Framework of Reference for Languages, covering key language domains and competencies appropriate to their level of ability.

Objectives
This programme of study is intended to enhance the all-round language and communication skills of those who wish to work or study more effectively in an international context.

GENERAL ENGLISH PLUS

Overview
Students join multi-national language classes and study 20 hours per week following a syllabus closely mapped to the Common European Framework of Reference for Languages, covering key language domains and competencies appropriate to their level of ability with additional work on fluency and pronunciation.

Objectives
This programme of study is intended to enhance the all-round language and communication skills of those who wish to work or study more effectively in an international context.



ENGLISH FOR BUSINESS SUCCESS

Overview
You will learn essential Business English Skills, such as; the Language of Presentations and Meetings, Negotiating in English, Agreeing and Disagreeing, Confident Speaking at Seminars, Events and Conferences, while being able to communicate in English at work or socially (check location availability).

CONVERSATION & PRONUNCIATION

Overview
Our Conversation and Pronunciation English Programmes focus on developing speaking skills, improving pronunciation and building conversational skills and strategies.

Objectives
This will help you express yourself confidently and effectively in spoken interaction, both socially and in more formal settings and global situations (check location availability).

ENGLISH FOR ACADEMIC PURPOSES

The OHC English for Academic Purposes is aimed at students who require English for use in Higher Education or University.

Programmes focus on Performance in English at University level, Study Skills and Fluency Practise. Classes may be studied full-time or in addition to an Examination Class or General Language class (limited location availability).

CONVERSATION & GRAMMAR

Overview
The OHC English Conversation and Grammar Skills Program focuses on; Developing Speaking Skills, Improving Pronunciation, Building Conversational Skills and greatly improving your English Grammar.

This will help you express yourself confidently and effectively in spoken and written interaction, both socially, and in more formal settings and global situations (limited location availability).

INTENSIVE ENGLISH

Overview
Students join multi-national language classes and study 30 hours per week following a syllabus closely mapped to the Common European Framework of Reference for Languages, covering key language domains and competencies appropriate to their level of ability.

Objectives
This programme of study is intended to enhance the all-round language and communication skills of those who wish to work or study more effectively in an international context and to make maximum language gains during their time studying with Oxford House.

CAMBRIDGE EXAMINATION

If you already have a good knowledge of the English language and want a qualification to demonstrate this, a Cambridge Examination Course is suited just for you. Our courses prepare students for:

- First Certificate in English (FCE)
- Certificate in Advanced English (CAE)
- Certificate of Proficiency in English (CPE)

These examinations are internationally recognised and among the world's best-known Qualifications.

They are used by employers and universities globally as reliable indicators of competence in the english language (check location availability).

INTENSIVE TOEFL PREPARATION

Recognized by universities, colleges and businesses worldwide, the successful completion of the TOEFL iBT test can help you achieve your professional and academic goals.

IELTS EXAMINATION

Overview
Students join multi-national language classes and study 15 hours per week, covering key language domains and competencies required for the IELTS examination.

Objectives
This programme of study is intended to improve students' language skills for the IELTS examination and to develop examination technique to ensure students get the best mark they can. Students will complete regular 'mock' examinations and receive feedback on their performance.

1-TO-1 ENGLISH

Overview
You will have a personalised OHC English Programme based on a strategic needs analysis by OHC.

Objectives
You choose how many lessons you will have and on which topics and areas of language you would like to focus, depending on your personal objectives. For example, you may wish to improve your Conversational English, to concentrate on your grammatical accuracy or develop your ability to read and write in English. We provide bespoke classes based on the General English or one of the specialist English curriculums.

OXFORD HOUSE
ACCOMMODATION

At OHC English we offer you a range of accommodation options.

All of our accommodation has been carefully chosen to provide you with a comfortable stay during your time studying with us.

HOMESTAY

Our most popular choice of accommodation globally. We work with a large number of hosts who understand the experience international students are looking for. Carefully chosen, we offer self-catering, B&B and half-board options depending on your chosen location.

RESIDENTIAL

We have great choices for students aged 18+ who prefer to have more independent accommodation. Our residences offer single rooms both ensuite and shared bathrooms depending on location chosen for good connections to our Oxford House schools.

STUDENT HOUSES

We also offer the chance to live in a more apartment or house-share style with other international students, whilst sharing a kitchen and communal areas. Chosen for their great locations close to our Oxford House centres, these are another popular choice for students who are 18 or over.

TEACHING HOUSE

Quality education requires quality teachers.

Language opens up a world of opportunity for our students, but also for teachers. Teaching House specialises in helping those interested in building a career in Teaching English to Speakers of Other Languages (TESOL).

Each year we help hundreds of aspiring teachers achieve the skills and qualifications they need, through the prestigious University of Cambridge Certificate in English Language Teaching (CELTA) – the most widely accepted and respected TESOL program in the world.

Teaching House is the worlds biggest CELTA provider. CELTA courses are offered in the UK, Australia, Canada and USA with courses running every month.

TEACHER DEVELOPMENT COURSES

Teaching House also offers Teacher Development courses. These courses run in all locations and start from just 1 week. Courses include Creative Methodology and Effective classroom practice.

These courses are designed for practising or recently qualified teachers of English from the state or private sectors.

OXFORD HOUSE ACTIVITIES

At OHC we believe the whole experience is important for our students.

We offer a wide range of activities and social programmes to help students settle in and make friends, explore our amazing locations, and most of all practise their English outside the classroom.

Students can choose sports, walking tours, bowling, conversation club, museum visits and a massive range of afternoon activities to really immerse themselves into being an Oxford House student. On weekends students can book full day excursions visiting famous sights and cities or even other countries (visa dependant).

We look forward to welcoming you to your Oxford House school so you can discover your world.

WE OFFER A WIDE RANGE OF ACTIVITIES AND SOCIAL PROGRAMMES TO HELP STUDENTS SETTLE IN AND MAKE FRIENDS.
