STOCK No. 13929 **BRAND** Draper

BARCODE 5059482064135

WARRANTY 12 months parts and labour

FEATURES

- Twin-piston, quick lift facility - just six pumps to reach maximum height
- Lifting range 100-465mm
- Integrated rubber saddle pad prevents damage to underside of vehicle
- EVA foam handle to prevent panel damage
- Knurled handle for extra grip
- Twin safety overload valves
- Rear swivelling castors

DESCRIPTION

This aluminium and steel trolley jack is capable of lifting from 100-465mm and it has a capacity of 2.5 Tonne. It has a twin-piston quick lift facility, with six pumps to enable it to reach maximum height efficiently. It is fitted with a twin safety valve to prevent the jack from overloading. There is an integrated rubber saddle pad to prevent damage to the underside of the vehicle when in operation. There is also an EVA foam handle cover to prevent panel damage. The knurled handgrip on the end of the lifting arm enables a more secure hold when used. Fitted with rear swiveling castors for easier operation.

Manufactured to EN 1494 Specification
