3-Leg Oil Filter Wrench, 69-136mm

STOCK No. 02749 **BRAND** Draper

BARCODE 5059482078880

WARRANTY Lifetime

FEATURES

- Chrome vanadium steel for strength
- 3-leg grip action
- Suitable filters between 69-136mm in diameter

DESCRIPTION

This oil filter wrench is designed to remove oil filters in areas of the vehicle with limited access. It features three legs with a knurled finish that provide a secure grip. The toothed gears automatically clamp as the hex adaptor is turned. Made from chrome vanadium steel, it offers excellent mechanical strength and is suitable for oil filters between 69-136mm in diameter.
