SURVEY CAVEATS

The survey is commensurate with band D accuracy, as specified in the RICS survey detail accuracy banding table.
The survey is referenced to Newlyn Datum and the survey grid shown on the drawing is only referenced to OS National Grid at the following point: 530591.133E, 177317.025N, obtained by multiple network RTK GPS observations.
Drawing units are metres.
All quoted dimensions and levels are in metres.
