DESCRIPTION

This tool chest is constructed from sheet steel and has a tough industrial powder coated finish for durability. There is a lift-up lid operated by two gas struts to access the top chest. The spacious drawers have a stylish aluminium trim and are fitted with ball bearing sliders to ensure smooth operation. Each drawer is lined with a 2mm EVA mat to protect tools and prevent them from shifting. For easy transport, the chest includes two side handles. To keep tools safe, it has an integral lock and two keys.
