Warehousing that Works.

High performance space for your business.

If you're looking for a high-performing, sustainable building that works as hard as you do, then look no further. Indurent 161, Basingstoke is a highly sustainable warehouse which will benefit your business, your people and the environment. Target completion of the development is December 2027.

Indurent 161, Basingstoke is situated on Viables Business Park and acts as an extension of Indurent's presence in the area following the development of Indurent Park Basingstoke. The park provides excellent connectivity to the motorway and is in close proximity to Junction 6 of the M3.

Basingstoke is equidistant between the Port of Southampton and London, making it an ideal distribution location.

- Grade A specification.
- EV car charging available.
- PV panels generating up to 600 kWp.
- 15% roof lights.
- LED lighting to offices.
- Targeting BREEAM Excellent.
- Targeting EPC A+ rating.

Demographics.

STRONG LOCAL LABOUR.

With a population of approximately 185,200, Basingstoke offers a large talent pool.

WORKING AGE POPULATION.

With 110,750 residents aged between 16-64, businesses have a broad workforce available to them.

UNEMPLOYMENT RATE.

Basingstoke's latest estimated unemployment rate is 3.9%, broadly in line with the national average of 4.0%.

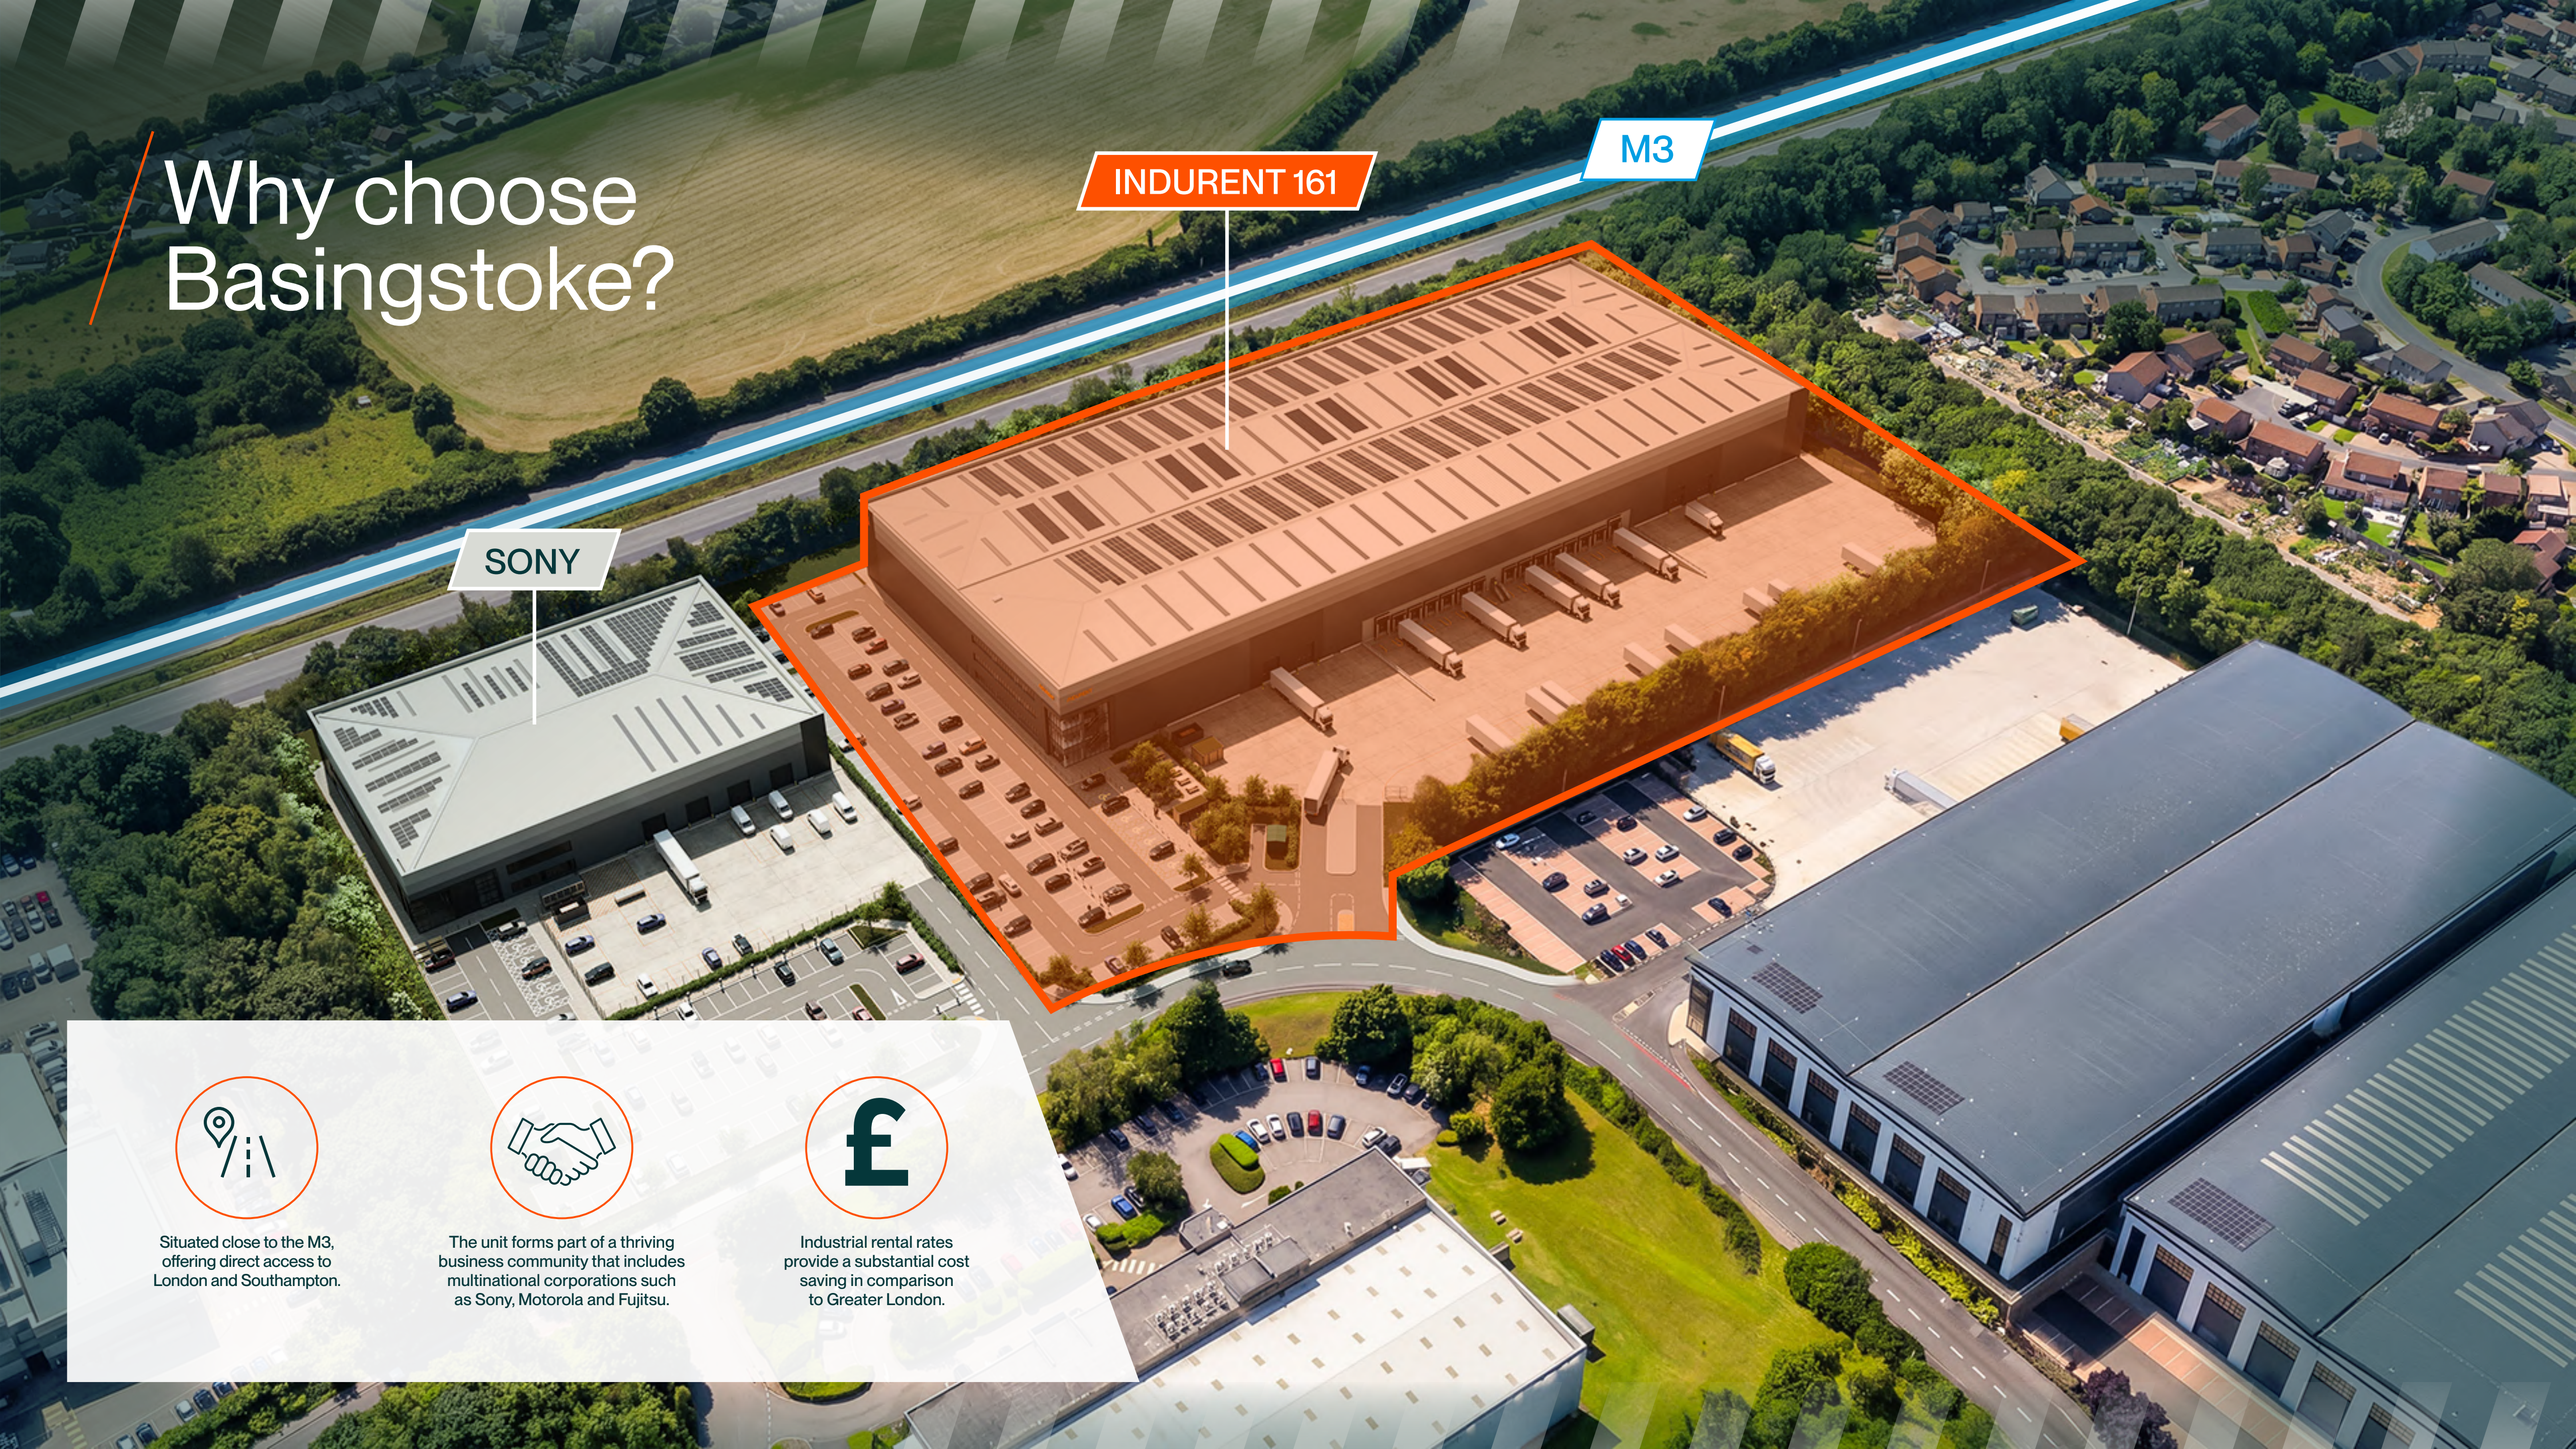
LOCATION.

This location is a good value proposition compared to London.

Source: Office for National Statistics.

Warehousing that Works.

Why choose Basingstoke?



Situated close to the M3, offering direct access to London and Southampton.

The unit forms part of a thriving business community that includes multinational corporations such as Sony, Motorola and Fujitsu.

Industrial rental rates provide a substantial cost saving in comparison to Greater London.

You're well-connected.
