STOCK No. 28485 **BRAND** Draper

BARCODE 5059482047183

WARRANTY 12 months parts and labour

FEATURES

- 75-505mm lifting range
- Twin piston pump for fast lift
- Low profile design
- Integrated rubber saddle pad prevents damage to underside of vehicle
- Fitted with hardwearing nylon wheels with rear swiveling castors, for quiet and smooth operation. These wheels also prevent damage to garage floors

DESCRIPTION

This low profile trolley jack is capable of lifting from 75-505mm and it has a capacity of 3 Tonne. It has a twin-piston quick lift facility, with eight pumps to enable it to reach maximum height efficiently. The twin spring return system ensures the jack lowers safely when not under load. It is fitted with a twin safety valve to prevent the jack from overloading. There is an integrated rubber saddle pad to prevent damage to the underside of the vehicle when in operation. There is also an EVA foam handle cover to prevent panel damage. The knurled handgrip on the end of the lifting arm enables a more secure hold when used. Fitted with hardwearing nylon wheels with rear swiveling castors, for quiet and smooth operation. These wheels also prevent damage to garage floors

Manufactured to EN 1494 Specification
