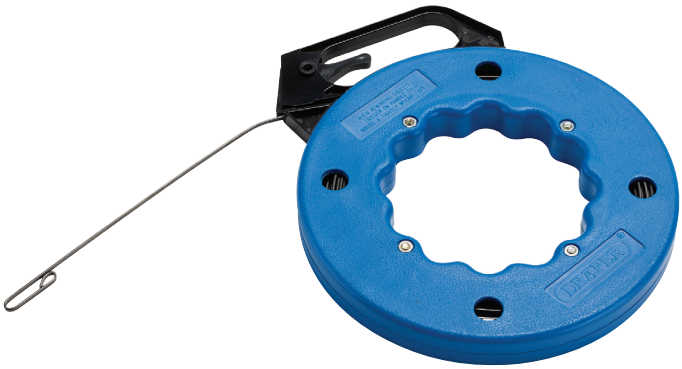
Electricians Draw Tape in Plastic Case, 15m

STOCK No. 56761 **BRAND** Draper

BARCODE 5010559567614

WARRANTY Lifetime



FEATURES

- Hook on end to avoid snagging
- Built-in brake trigger

DESCRIPTION

Designed for drawing electrical wiring through conduits. Manufactured from oil tempered wire with blackened finish. Housed in convenient rotating plastic storage case with handle. Brake trigger mechanism in handle. The hooked end avoids snagging once the wiring has been attached.
