FEATURES

- Solid forged in one piece for durability and strength
- Engineered to be lighter and aerodynamic
- Magnetic nail starter allows for one handed, fast and accurate nailing
- Versatile rip claw used for pulling nails, prying boards, demolition work and splitting wood
- Smooth face, ideal for finishing work
- Genuine leather grip, sanded and lacquered

DESCRIPTION

This solid forged steel framing hammer from Estwing's Ultra Series is designed to be lightweight and aerodynamic while remaining durable and strong. It features a magnetic nail starter, allowing for fast and accurate one-handed nailing and a smooth face for better finishing. Additionally, the hammer has a rip claw that is useful for pulling nails, prying boards, performing demolition work and splitting wood. The genuine leather grip is sanded and lacquered for added comfort, giving the hammer a stylish touch.
