Defender E85302 230V Fly Lead Converter, 16A - 2 x 13A

STOCK No. 35165 **BRAND** Defender

BARCODE 5024763228919

WARRANTY 12 months parts and labour

FEATURES

- Quick, easy adapter for attaching 240V 13A equipment to 16A lead
- Short 25cm cable minimises excessive tangling
- Robust plug & double socket
- VDE approved for low temperatures
- BSEN 50525-2-11 compliant

DESCRIPTION

Dual socket 230V fly lead connects 2 standard plug tools or lights to a 16A lead without the need for rewiring, saving time and money. Robust plug and double socket with 25cm cable - long enough to maintain flexibility but short enough to avoid excessive tangling. Ingress rating IP20. BSEN 50525-2-11 compliant.
