13-Pin Euro to 7-Pin N-Type Converter

STOCK No. 99662 **BRAND** Draper

BARCODE 5010559996629

WARRANTY 12 months parts and labour

FEATURES

- Suitable for European standard trailer
- Fitted with sprung loaded socket cover

DESCRIPTION

Converts 13-pin Euro socket on the major vehicle to the 7-pin plug on the trailer or caravan. Transfers the electronic signal lights from vehicle to towing. Weatherproof sprung locking socket cover protects the connections when not in use and locks the 7-pin plug when in use.
