# 230V Bandsaw, 340mm, 1100W

**BRAND** Draper

**WARRANTY** 24 months

## FEATURES

- Two-speed operation control
- Adjustable blade tensioning and tracking for precise cutting
- Mitre guide for crosscut work. Graduated to 30 degrees for both left and right hand angles
- Table tilting with 0-45 degree range
- Fitted with LED worklight and convenient tool drawer in base unit

## DESCRIPTION

This two-speed bandsaw is designed to cut wood, wood-derived materials and plastics. Built to a high specification and ideal for trade professionals. This is reflected in the quality of the structure and strength of the worktable support and tilt mechanism, as well as the structure and strength of the blade wheel adjusting mechanism. The adjustable blade tensioning and tracking allows for precise cutting. There is a high spec mitre guide for crosscut work. The strong table tilts with a 0-45 degree range allowing angled cutting, ripping and mitre and bevel cutting. No-volt release switch prevents uncontrolled blade to re-start after power interruption. There is a tool drawer built into the base unit providing convenient storage while working. Supplied with 4tpi blade, parallel rip fence and other accessories. This bandsaw can be floor standing or mounted on a stand available separately (Stock No. 99270).

**No-volt switch**
