Single Garage Workstation with Roller Cabinets

STOCK No. 13269 **BRAND** Draper

BARCODE 5059482062131

WARRANTY 12 months parts and labour

FEATURES

- Complete steel storage unit offering cabinets, shelves, pegboards, roller cabinets and workbench
- Pegboard for easy access tool storage
- Adjustable feet for uneven floors
- Supplied with keys and fixings for installation

DESCRIPTION

This complete steel storage unit combines one tall cabinet with two doors and three fixed shelves, a wall shelf unit with two cupboards, two roller cabinets and a pressed wood worktop. There are also four back panel pegboards for holding tools and equipment. It is styled with a matt black painted finish and is fitted with adjustable feet for stability. A fully lockable system is in place for security (six keys provided). The workstation is supplied semi-flat packed and requires assembly. This is a complete storage solution (individual components are not available separately).
