BARCODE 5059482116452

WARRANTY Lifetime

FEATURES

- Flat design for maximum stability
- Tethered cap and plastic spout
- Powder coated rust resistant finish
- UN certified

DESCRIPTION

This jerry can is constructed from durable mild steel and features a powder-coated finish for corrosion resistance. It is ideal for storing and transporting fuel, petrol and diesel. The leak-proof, tethered plastic cap ensures secure closure, while the integrated plastic spout fits neatly into the handle for convenient storage and easy access. The flat design offers maximum stability to help prevent spills. Manufactured to UN specifications, it is tested and certified in the UK.

Manufactured to UN specifications and certified
