BARCODE 5059482112461

WARRANTY 12 months parts and labour

FEATURES

- Suitable for motorbikes, cars, vans, light commercial vehicles, tractors, trucks and boats
- Easy to read LED indicators
- Fitted with 2 x 12V DC sockets
- Reverse polarity alarm and automatic circuit overload protection
- Portable and fitted with carry handle and onboard clamp storage
- Complete with 230V main charger

DESCRIPTION

This jump starter supports both 12V and 24V vehicles, making it suitable for motorbikes, cars, vans, light commercial vehicles, tractors, trucks, and boats. It can also serve as a portable power source for devices that require a 12V DC supply. The jump starter features easy-to-read LED indicators, a reverse polarity alarm, and automatic circuit overload protection. It is portable, equipped with a carry handle, and has onboard storage for the clamps. The jump starter comes complete with a 230V mains charger.
