Online Entry Routines

5 ways to ensure that online sessions start well and learners last the distance.

REMINDER

A polite reminder of the online etiquette (rules) we've all agreed to follow, as published <here...>.

1. BEHAVIOUR

Remind learners about online etiquette.

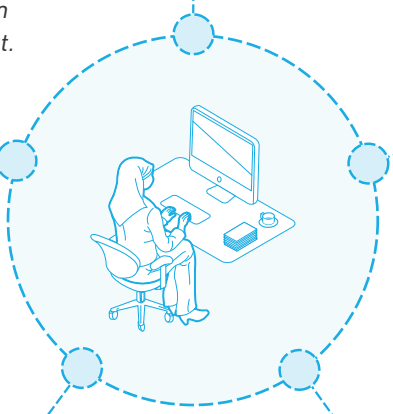
Success Criteria



2. MATERIALS & LOGISTICS

Ensure that materials are available in advance.

4. COLLABORATION

Tell learners who they will be working with, and how they will be working.

3. THE WELCOME

Give learners a positive reception. Start as you mean to go on.

Hi, great to see everyone on time and ready to go....

Don't forget – you can see what pairs and groups you are in for this and other activities online.
