Year 2

Autumn First half term

Literacy
Year 2 will be covering a range of writing genres:
- Diary
- Recount
- Non-chronological reports
- Narrative
- Instructions
-Persuasion

Numeracy
Year 2 will be covering:
A range of topics including calculation involving all four operations. Pupils will look to reason in each of the topics to show a greater understanding.

Science
Year 2:
Pupils will investigate the topic of materials. They will carry out a range of investigations into finding suitable materials to match a given purpose.

ICT
Year 2 will be learning:
E-safety, including how to keep personal details safe online file organisation and some basic typing skills.

Reading
KS1 will be completing daily guided reading sessions based on our topic.
In addition to this, daily ERIC (Everyone Reading In Class) sessions occur.

Geography and History
Year 2 will be learning:
Some basic map making skills. Pupils will also look at identifying geographical land features on a map. Pupils will also look at mythical beasts from history.

P.E.
Year 2 will be covering:
Football and gymnastics. Pupils will develop their skills striking the ball with accuracy and being able to manoeuvre the ball through obstacles. In Gymnastics pupils will develop coordination skills and investigate travelling, balance and performance.

Art and D & T:
Year 2 will be learning to:
Increase their pencil control skills and will look at different shading techniques. Pupils will then be required to apply these techniques to create different pieces of artwork linked to their essential question-'What if mythical beasts really did exist?'.

Music
Year 2 will be:
Completing a range of different rhythm activities including creating their own beat box composition.
