

MAKE FRIENDS TODAY!

Are you ready to become part of the force that is transforming rural communities across the nation?

We help rural communities flourish by working alongside local churches across the UK. Although we are a small organisation, we can punch above our weight thanks to our incredible supporters. Together we have been able to:

- Provide much-needed resources and advice to rural churches across the nation
- Support hundreds of rural ministers as they take up their work in the countryside through our Rural Ministry Course
- Encourage lay and ordained church leaders unlock their creative leadership potential through Germinate Leadership and use these skills to address local needs
- Tackle rural poverty and assist with farm diversification through our rural business start-up programme, Germinate Enterprise
- Help churches grow, church groups work together and communities flourish, through Germinate Groups.

We are hugely grateful to each individual whose help has made all of this possible.

If you would like to play your part in helping us to continue this work, please consider joining our Friends programme.
