Welcome back to Rural Touring!

Our community volunteers, audiences, funders and sponsors have been simply fantastic during these difficult times, and we thank everyone for their support and encouragement as we resume our indoor programme of live performances this winter following a successful summer of open-air events across rural Dorset.

Below you will find a little more information about our events this autumn, which we will monitor, update and share online throughout the season as required:

- Audience members are reminded not to attend if you are experiencing symptoms of, or have tested positive for, Covid-19.
- Although not mandatory, we encourage our audiences and volunteers to continue to wear masks, particularly when moving around the venue;
- Hand sanitiser will be available at various points within the venue;
- Audiences will be no more than 70% of the venue capacity - advanced booking is advised;
- Venues are encouraged to have good ventilation during events; dress appropriately;
- Audience members may like to take a lateral flow test before attending events;
- Please be conscious of social distancing during your visit;
- Venues may have an NHS Test & Trace QR code on display - scanning in is optional.

Please respect any measures in place at the venue you visit and support our volunteers by showing patience as required as, without them, these events simply wouldn't happen.

This will continue to be a financially challenging season for Artsreach. If you wish, you can support our charity by making a donation when booking your tickets online, or by visiting the Support Us page of our website.

Thank you for your support, and we look forward to welcoming you back!
