Leaving Certificate Computer Science

Bulletin 2, March 2021

CCE Student Conference

by Ken Corbalem, Ballinamore Community College

For many young people, it seems like they always have an idea from a young age of what they want to do when they grow up. For others, it may take a little longer to see or find the idea or ideas. Maybe, they don't know what they want to do or what they want to study. Maybe, they don't know what career or job they want to do. Maybe, they don't know what they want to do in the future. Maybe, they don't know what they want to do after school. Maybe, they don't know what they want to do after the Leaving Cert. Maybe, they don't know what they want to do after college. Maybe, they don't know what they want to do after college or university. Maybe, they don't know what they want to do after their first job. Maybe, they don't know what they want to do after their first job. Maybe, they don't know what they want to do after their first job
