

Age of Opportunity

Building Better Opportunities

Over 50 and out of work?

Not sure what your
next steps are?

We can help you.

Whatever your experience and skills we can support you back into work or training with our free, local services, including: confidence building, job search, learning new skills, using IT, health and wellbeing support, help with caring responsibilities, business start-up, volunteering, helping you manage your money, disability support and more.

Come and have a chat and let's see what we can do.

Here's my details - please get in touch!
