

## **JOB VACANCY**

# **Head of Programme: Mental Health**

**37 Hours per week**

**NJC SP36 £31,230 per annum**

**2 years initially (fixed term contract)**

**Base—LWC Centres**

**Our Vision**—Where all women and girls in Lancashire are valued and treated as equals.

Lancashire Women's Centres have an exciting opportunity for a talented individual with considerable experience of mental health and operational management to lead on a range of projects across our 5 centres. This role involves project management of our IAPT and other contracts, performance and staff management as well as the chance to develop new opportunities.

We are looking to recruit an experienced and dynamic manager to head a talented team focused on offering a range of therapeutic and community based services. Reporting to the Community Director this role will include the management of current mental health contracts as well as working with teams to devise, develop and test evidence-based approaches to drive improvements in mental health for women and girls.

You will have a proven track record in achieving high performance in line with operational priorities. You will also be an experienced manager, capable of getting the most from your team. You will need an understanding of the determinants of mental health in families and of relevant national and local strategies and be able to analyse and use data as a management tool.

If you feel you have the skills and experience to make this vision a reality then we look forward to hearing from you.

***LWC is committed to safeguarding and promoting the welfare of vulnerable adults and expect all staff and volunteers to share this commitment. This post is subject to a DBS.***

***In line with GOQ -SINGLE SEX ESTABLISHMENTS – (s7(2)(d)) this post is open to female candidates only.***
