

JOB VACANCY

Data Lead

30 hours per week

£28,150 pro rata

12 months fixed term contract

This is an exciting opportunity for a seasoned professional to join Lancashire Women's Centres to help change women's lives by shaping and driving improved use of evidence, measurement and evaluation to inform better service design. Through further development and use of our data and data systems, the job holder will discover efficient ways to organise, store and analyse data, with attention to security and confidentiality, whilst helping us to tell better stories about our work through the information we are capturing.

The ideal candidate will have a strong understanding of databases and data analysis procedures. You will also be tech-savvy and possess excellent troubleshooting skills, and be able to communicate technical or complex ideas clearly to those without technical skills.

If you feel you have the skills and experience to make this role successful then apply using the links as below.

LWC is committed to safeguarding and promoting the welfare of vulnerable adults and expect all staff and volunteers to share this commitment. This post is subject to a DBS.

Application forms can be downloaded from our website www.womenscentre.org

Completed Applications to be sent to: Recruitment@womenscentre.org

Please Note: CVs will not be accepted

Closing Date: Friday 18th May 2018, 12 noon

Interviews to take place Thursday 24th May 2018.
