

# An Evening with Dave Spikey

## Includes 4 Course Meal

Friday 2<sup>nd</sup> March 2012

Inspired by the amazing audience reaction to his deconstruction of song lyrics in his "Best Medicine Tour" combined with his fascination with the vagaries of the English Language , Dave's hilarious new show examines many more situations in life where words really don't come easy .

These include tongue-tied parents explaining the facts of life , ridiculous newspaper stories , poems, pathetic adolescent chat-up lines , hospital speak, learning a foreign language and an extended selection of song lyrics that range from the lazy through surreal to the ridiculous.

Come and join us for an evening of fun with the comedy legend that is Dave Spikey on his "**WORDS DON'T COME EASY TOUR**"
