Bible Society in Northern Ireland

**Scripture Reference:** Amos 5:24

**Bible Translation:** New International Version

**But let justice roll on like a river, righteousness like a never-failing stream!**

## Reflections:

An amazingly strong and positive metaphor reflecting the two dimensions of the Kingdom. The Kingdom yet to come and the Kingdom here on earth. Our calling is to practice the presence of the Kingdom here on earth. What a difference it would make to our neighbourhood, town and country if we made it our personal call to address issues of justice, or rather injustice.

I see growing evidence of this happening in Northern Ireland and it seems to be getting stronger; moving from a trickle, to a stream, to a river. While more needs and I believe will be done, the strength of movement in this passage fills me with hope and expectation for the future.
