

# Cairdeas IPCT CHRISTMAS APPEAL 2017

This Christmas, thank you for helping us to help our partners and projects to create sustainable and life-changing solutions for challenging circumstances.

## For a donation of £10...

You can pay for a pack of vital supplies for refugees from South Sudan living in the refugee camps in Northern Uganda, which are being distributed by Lugogo and Cairdeas 'Sanyu' volunteers, providing essential supplies and sharing love and care.

## For a donation of £25...

You can pay for a piglet to support the pig breeding income generating project through our partner PcERC in Kampala, Uganda. This aims to establish a sustainable source of income for the palliative care volunteer team in Mulago hospital who offer essential practical and pastoral support.

## For a donation of £100...

You can support the training and mentorship of a palliative care health professional in India in leadership skills through our partner Pallium India. This allows local champions to be equipped to take services forward in their own setting and to advocate with policy makers for sustainable growth.

To donate, please go to [www.cairdeas.org.uk](http://www.cairdeas.org.uk) and click on the 'Support Our Cause' link or alternatively you can post a cheque made payable to 'Cairdeas International Palliative Care Trust' to Yew Tree Cottage, Billingshurst Road, Ashington, West Sussex, RH20 3AZ.

*Please state which cause you would like to support, and give a full name and address if you are a UK tax payer.*
