# The perfect sparkling

## TAKE IT EASY

### **NADAL BRUT RESERVA ORIGINAL NV**

The Nadal Family have owned this estate for more than 500 years. This Brut Reserva, made from Macabeo, Parallada and Xarel-lo is aged for 28 months in bottle. Organic, hand-harvested, and complying with a long list of strict conditions, the result is one of Spain's finest sparkling wines. Toasty with fruity aromas. A wonderful aperitif.

**£14.20 (€13.49)**

## LIVE A LITTLE

### **SILVERTHORN CAP CLASSIQUE 'JEWEL BOX'**

Out of 220 sparkling wine producers in SA, this year's Jewel Box won Tim Atkin MW's Wine of the Year in 2019. 60% Chardonnay and 40% Pinot Noir, with over 3 years on the lees results in hints of strawberry, brioche notes and a lovely, fine mousse. Rich yet dry on the palate with a wonderful balance. Only 3,300 bottles made.

**£26.90 (€25.56)**

## LIFE'S TOO SHORT

### **CHAMPAGNE DE SOUSA CUVÉE DES CAUDALIES**

This organic, biodynamic Grand Cru Blanc de Blancs is vinified entirely in oak barrels. The grapes come from vines over 50 years old, resulting in a truly elegant, classy, well balanced Champagne with creamy texture. By the way, a 'Caudalie' is the unit measuring the time you feel the aftertaste. 1 Caudalie = 0.92 seconds. Now you know.

**£47.90**

# The perfect white

## TAKE IT EASY

### **TOURAINE SAUVIGNON BLANC 2018**

The Bougrier Family have had over 130 years' practice at making a typical Loire Sauvignon and they have nailed it with this one: light (only 12.5%) and dry, refreshing with a hint of tropical fruits on the palate, yet retaining balance. Ideal with fish, goat's cheese, or just as an aperitif. Our best-selling Sauvignon and perfect for parties!

**£9.90 (£9.41)**

## LIVE A LITTLE

### **SMUGGLERS BOOT CHARDONNAY 2017**

Not the cheapest but one of our best value chardonnays from South Africa. A superb example of a 'New World' chardonnay that tastes like a more expensive Burgundy: complex blend of stone fruits, green apple and citrus, lightly oaked but with minerality and great length. Superb with fish dishes, roast chicken or a mushroom risotto.

**£15.80 (£15.01)**

## LIFE'S TOO SHORT

### **PIERRO CHARDONNAY 2018**

The story goes that in his first restaurant, Pierro Chardonnay was the only 'New World' wine that Marco Pierre White would allow, because it rivalled the finest French Burgundies! He was right though: Pierro (Margaret River) is Burgundian in style – elegant, restrained, and beautifully balanced. Awarded an impressive 95 Pts by Decanter. Pure class.

**£37.70 (£35.82)**

# The perfect red

## TAKE IT EASY

### **SUTHERLAND CABERNET SAUVIGNON 2016**

Sutherland Estate (located in cold-climate Elgin) is owned and managed by South African wine-making legends Thelema Mountain Vineyards in Stellenbosch. This is a full-bodied cabernet, full of ripe dark fruits and a hint of mint yet retaining good structure. Drinking really well now and for the next 4 or 5 years. Superb value.

**£10.90 (£10.36)**

## LIVE A LITTLE

### **CHATEAU DE CHAMIREY MERCUREY ROUGE 2018**

No wonder this light young Mercurey tastes so delicious – one third of the hand harvested grapes come from their 1er Cru vineyards. Think fresh red fruits and gentle spices, nicely balanced with acidity and rounded silky finish. Serve slightly colder than other reds (16C) and enjoy now to 2023 with red meats and deli foods.

**£23.70 (£22.52)**

## LIFE'S TOO SHORT

### **RIECINE DI RIECINE 2015**

What a cracking Sangiovese! Truly elegant in the style of a top Burgundy: soft, juicy red fruits supported by savoury minerality, medium bodied and vibrant with a long finish. Matured without oak it is drinking well now and for many years to come. Enjoy with stews, game dishes or a plain steak. Dinner party wine for special friends.

**£39.20 (£37.24)**
