

Confidentiality and Conflicts of Interest Policy for Peer Reviewers

The application form and all documents, materials and associated information made available to peer reviewers regarding this application must be treated as strictly confidential and shall not be shared, disclosed to or discussed with any other parties, and no personal use shall be made of any information, documents or materials made available as part of the review process.

Any potential Conflicts of Interest with the applicants, co-applicants or collaborators on this application must be declared immediately to the Research team at the Crohns and Colitis UK.

A Conflict of Interest applies if the reviewer fits any of the following criteria:

- is a named party on the grant application, either as PI, co-applicant, collaborator, or Head of Department
- has a close friendship, personal or familial relationship with any of the named parties on a grant application
- is employed at the same Research Institute as the lead applicant or a co-applicant of the grant application.

By accepting this invitation to peer review, reviewers hereby agree that they will abide by this Confidentiality and Conflict of Interest Policy for Reviewers. Any reviewer found to be in breach of this policy will have their review dismissed from the awards adjudication process by Crohns and Colitis UK
