

Money Collection Box

Instructions

- 1) Print out the template and cut it out along the dashed lines. You could also print it out on A3 paper so you can make your box bigger to hold more donations. Don't forget to cut the coin slot!
- 2) Fold along the dotted lines and apply glue or sellotape to the tabs which say "glue here".
- 3) Assemble your collection box.

Handy tip

If your paper is flimsy stick your template and glue it onto a piece of cardboard (e.g. a cereal box).

We're the UK's leading charity for Crohn's and Colitis – the two forms of Inflammatory Bowel Disease. Right now, over 300,000 people in the UK are living with these conditions. And the real number could be almost double that. We're working to improve diagnosis and treatment, and to fund research into a cure; to raise awareness and to give people hope, comfort and confidence to live freer, fuller lives.
