

Scholarships for early career researchers

A number of prestigious scholarships will be available for early career researchers to assist with travel and registration at the Scleroderma Workshop.

Individuals within 7 years of their first faculty appointment are eligible. **To apply**, please see the following requirements:

1. Submit an abstract by **12 June 2019**.
2. Register for the meeting.
3. Submit a paragraph statement indicating that you are applying for a travel award and do not have other funding to attend the meeting, and a description of your current work in scleroderma.

You will not be considered for a travel award if all 3 requirements have not been met.

Trainee Registration

A supporting letter verifying status from your programme director must be sent to the meeting secretariat millie.williams@ucl.ac.uk to confirm registration.
