

Do you have vasculitis or lupus (SLE)?

The kidney doctors in the lupus and vasculitis team at the Royal Free London invite you to a patient education and discussion evening.

Find out what is new in lupus and vasculitis research

Hear from your local experts

Find out about clinical trials

Ask questions

Meet other patients with your condition

Family and friends are welcome. Refreshments will be served.

Monday 6 July 6-8pm

Seminar room 1, Sheila Sherlock Centre, Royal Free Hospital
(Ground floor, by the medical school entrance)
