

# F M Conway

Our commitment to you

# Workforce and hours of working

- ▶ Presently we have 5 men on site, one of which is an apprentice
- ▶ After the Easter break we will have 8 men on site.
- ▶ Hours of working are between 7:00am and 4:00pm
- ▶ Later in the programme we may be working up 10:00pm with all major digging out by 4:30pm
- ▶ We have no plans at present to work beyond 10:00pm. Final re surfacing work at the end of the scheme may necessitate night working

# Site Equipment

- ▶ Welfare unit
  - ▶ Security huts
  - ▶ 3t mini digger
  - ▶ Kerb lifters
  - ▶ 3.5t pickups
- ▶ There will also be a grab lorry visiting when needed to deliver material and take spoil away.

# Our Green Commitment

All of our site vehicles comply with Euro 6 clean engine regulations, which adheres to the ultra-low admissions policy in Central London.

# Regular communication

- ▶ F M Conway have appointed a public liaison officer on this scheme who will be your main point of contact
- ▶ We will be updating you regularly on our progress via newsletters, which will be delivered to those residents, businesses, schools and churches, within close proximity to the works.
- ▶ Several residents associations will also receive these communications which they have kindly agreed to distribute out to their mailing list.
- ▶ Our PLO will have their contact details displayed on the outer fencing of our compound
- ▶ I am more than happy to visit local businesses and residents at their request
- ▶ Please contact:-
- ▶ Helen McConnell
- ▶ Mobile 07917 518 529
- ▶ Email [helen.mccconnell@fmconway.co.uk](mailto:helen.mccconnell@fmconway.co.uk)
