

DC7013021M BI Oven

Greater efficiency for better cooking

This double oven is the perfect product for an efficient kitchen, increasing your cooking capacity without wasting space.

Position more dishes perfectly inside your oven

With a larger capacity and more shelf positions, this oven gives better sliding access to the ideal cooking levels. Position more dishes perfectly at the same time.

Full control when loading and unloading

This oven's telescopic runners give you full control when pulling out the shelves. As a result, you can be extra precise when loading even extra-large dishes.

More Benefits :

- Safe to touch Plus for a low door temperature
- Hot Air Fan System system for higher performance and energy efficiency
- Cataluxe® catalytic cleaning method

Features :

- Double built-in oven
- ThermiC°Air system circulates hot air evenly throughout the oven cavity
- Multifunctional oven with ring heating element
- Oven energy class: A
- Bottom oven energy class: A
- Top oven cooking functions: Bottom, Fan + light, Grill, Grill + top, Ring + bottom + fan, Ring + fan, Ring + fan (LTC), Top + bottom, Top + bottom (80°C fix), Top + grill + fan (alter)

- Extra large cavity size with 68 l net volume
- Catalytic stayclean oven lining
- ISOFRONT® cool oven door
- Fan stops when opening bottom oven door
- Fan stops when opening the door
- Cooling fan
- Trays supplied with the oven: 1 Dripping pan pyrolytic

Technical Specs :

- Product Installation : Built_In
- Product Typology : Double_Cav_BI_Oven_Electr
- Product Classification : Statement
- Type : Double
- Installation : BI
- Size : 90x60
- Oven Energy : Electrical
- Cooking : Fan + Ring
- Cleaning top oven : Catalytic
- Cleaning bottom oven : Catalytic
- N° of cavities : 2
- Design family : AEG-Electrolux P10
- Main colour : Stainless Steel
- Control Panel material : Glass, Stainless Steel
- Type of doors : 2D metal skin, 3 Glasses
- Type of handle : Metal, Towel Rail
- Door type bottom oven : 2D metal skin, 3 Glasses
- Door hinges : Drop Down Removable
- Drawer : No
- Control lamps : Function Display
- Hob control : No
- Left front - Hob control : None
- Rear - Hob control : None
- Right front - Hob control : None
- Right rear - Hob control : None
- Thermostat : Top&Bottom
- Type of timer min. : Perfect2/OVC2000
- Electronic Oven Control : OVC2000/Perfect2
- Feature Electronics : Acoustic signal, Display off, Full auto, Minute minder, Oven-thermostat, Oven start, Semi auto, Temperature
- Cooking function top oven : Bottom, Fan + light, Grill, Grill + top, Ring + bottom + fan, Ring + fan, Ring + fan (LTC), Top + bottom, Top + bottom (80°C fix), Top + grill + fan (alter)
- Cooking function bottom oven : Bottom, Fan + light, Grill, Ring + bottom + fan, Ring + fan, Ring + fan (LTC), Top + grill, Top + grill + fan (alter)
