Decorated and maintained to the highest standards, retaining many original features including sash windows and stone cut fireplace with timeless style and practical features.

Whether you are looking for a country retreat, a holiday home that all the family can enjoy, an investment property to let out and tap into the booming Kerry tourist industry, a starter home or even the perfect retirement abode you have always dreamed of Croi Cottage has the peace, amenities, location and breath taking beauty to meet your needs.

Croi Cottage (Croi being the Gaelic word for heart) epitomises that Home truly is where the Heart is.

This quaint hideaway is a nature lovers heaven that boasts all the modern comforts including electric power shower, satellite TV and broadband.

Ample gated parking, large adjacent workshop with potential to convert into art studio, writers den or even expand the living area.

A substantial wooden decked rear terrace can be used for yoga, meditation, sunbathing, star gazing the clear night sky or simply watching a romantic sunset over the Kerry mountains. Large plot with endless possibilities for extension subject to the normal local planning application process.

Kerry Airport: 20mins

Cork International Airport: 1hr 30min
