When entering any MAGT event by any of the methods in 3 above, a player's exact handicap must be recorded on the entry form. Any entry ballot will be based on the exact handicap of the relevant players, as at the closing date of entries using the Central Database of Handicaps (CDH). Where a CDH number is not available players are required to notify the Championship department of any changes prior to the closing date. Note: It is the player's responsibility to ensure that their exact handicap on the CDH is up to date. 6. Registration Players must register in person at the MAGT Tournament Office or other designated location or online or by telephone by 16.00 on the day before an event starts. Failure to register by this time will result in the player forfeiting their place, which will be offered to a reserve. The player concerned will also forfeit their entry fee.
7. Reserves a) In individual stroke play championships, a reserve list will be maintained and managed by the Championship Department. Should a place or places in the draw become available, reserves will be invited to play in the order they are listed on the reserve list. b) In order to ensure a full field for a Championship and at the sole discretion of the Championship Department, a reserve or reserves may be offered a place depending on whether they can be contacted, i.e. irrespective of their place on the reserve list. c) At appropriate stroke play Championships, in the event of a late withdrawal of a player in the draw, a reserve who has entered the event in accordance with Condition 3 above and is present at the venue on the first day of the Championship may be offered the vacated start place. Should there be more than one reserve in attendance, such reserves will be invited to play in the order they are listed on the reserve list. d) At the discretion of registration officials at the venue, and depending

9. Decision of Ties a) Ties for first place in MAGT Championships will be decided by a sudden death play-off over holes to be determined by the Championship Committee:

Note: If a play-off involves more than two players, those eliminated will be deemed to have tied for second place, regardless of the order in which they were eliminated, and will receive Second Place vouchers of equal value. b) Ties for first place in other Championships and, with the exception in the Note to 9a above, for prize places in all Championships (unless otherwise provided in the Conditions of Competition for a particular Championship): • In a four round Championship, ties shall be decided on the 4th round, then the 3rd round, then the 2nd round and then the 1st round. • In a three round Championship, ties shall be decided on the 3rd round, then the 2nd round and then the 1st round. • In a two round Championship, ties shall be decided on the 2nd round and then the 1st round.
