Festival 2020

17 - 26 July

## INNOVATION FOUNDERS

If you have a pioneering and adventurous spirit, please give your personal support to the creation of exciting new projects for IF: Milton Keynes International Festival

As an Innovation Founder you would join a group of people that includes our Festival patrons, philanthropists and champions - all of whom recognise the value of encouraging great artistic experiences for everyone.

There are three levels of Innovation Founders:

### PIONEERS

IF you want to help us be at the forefront of commissioning new work for the Festival and have a quest for breaking new ground, you are a Pioneer. We suggest a minimum donation of £3,000 and in return we offer you our dreams - the unique ideas we are developing with artists to be premiered as part of the Festival.

You will receive:

- A personal invitation from the Festival Director to join us for the Opening Night and VIP Reception
- A personal preview of Festival commissions and programme highlights
- An invitation from the Festival Director to see behind the scenes in a bespoke tour of key Festival locations
- A chance to meet some of the Festival's creative team and artists
- Access to the Festival's VIP hospitality area
- A personal assistant to help you plan your Festival visit and book your tickets
- Your pioneering spirit will be acknowledged, if you wish, on our website and in the Festival brochure (subject to deadline)

To ensure we can build a close relationship with our Pioneers, access to this level is restricted to 10 individuals.

### ADVENTURERS

IF you want us to bring something extraordinary to Milton Keynes that will make you stop, think and ask 'how did they do that?' you are an Adventurer. We suggest a minimum donation of £1,500 and in return we will surprise you.

You will receive:

- A personal invitation from the Festival Director to join us for the Opening Night and VIP Reception
- A backstage tour to see behind the scenes of the Festival
- Access to the Festival's VIP hospitality area
- Your adventurous nature will be acknowledged, if you wish, on our website and in the Festival brochure (subject to deadline)

To ensure we can provide first class support for our Adventurers, access to this level is restricted to 10 individuals.

### EXPLORERS

If you want us to give you a feast of cutting-edge culture, fun and spectacle, you are an Explorer. We suggest a minimum donation of £500 and in return we will make you smile.

You will receive:

- A personal thank you letter and guide to highlights from the Festival Director to help you explore
- A personal invitation from the Festival Director to join us for the Opening Night and VIP Reception
- Your support and quest to explore will be acknowledged, if you wish, on our website
