

NORTHERN LIGHTS

MILO

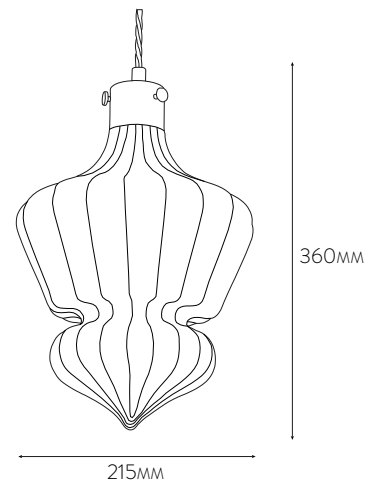

PENDANT

PRODUCT CODE: MILO PENDANT NB763

Using the shapes of Victorian glass pendants as a starting point for our designs and then abstracting them to create something more contemporary, these free blown fluted glass pendants are available in three colours: Smoke, Teal Ombre and Viridian Ombre.

Finished with oiled bronze machined bosses, vintage lamp holders and fixed with decorative industrial gallery screws, these versatile fittings can be suspended singularly and in linear, clustered or staggered groups.

For a warm ambient glow we recommend the filament LED tube lamp with this fitting, which will enhance the depth of colour within the glass, especially with the graduated nature of the Ombre effect.

viridian (left), teal (above) and smoke (above right)

VIRIDIAN: NB763/1
SMOKE: NB763/2
TEAL: NB763/3

MAX WATTAGE : 1 X 40W
LAMP HOLDER TYPE : E27
RECOMMENDED LAMP : LED FILAMENT
