

- *It was agreed for JL to discuss this further with Tony Moore and to respond to all other members of the MC via email, with outcome of his discussions.*

## **6050 CLOSED MINUTES**

### **6051 Tickets for staff**

- Please see 6048

### **6052 Drinks / queuing in the Hive**

- Complaints had been received about the queuing and length of time to get served in the Hive. Following discussions, it was noted that this issue has been brought to the MC before and previously it was highlighted that because of the configuration of the workspace and the fact that the Hive is used as a bar in the evenings, it was not possible to make many changes.
- The MC unanimously agreed that the Hive needed to change to ensure smoother operation and cut down queues and waiting time.
- *SC to discuss further with RA.*

### **6053 LCR exclusion**

- The recent situation of excluding students from the LCR, following repeat offending was discussed and agreed at SOC and by the MC.
- It was agreed the LCR needs better documenting system following incidents. Currently reports are passed to NR the following day.
- It was agreed should a student be involved in three incidents they will receive one month exclusion. After this period, should the student be involved in another incident then they will be excluded from the LCR/gigs for a further six months. Thereafter, it will be a full-time ban.
- It was agreed that NR has the right to refuse anyone entry to the licensed premises based on safety. Should any student wish to appeal their exclusion, there will be an appeal committee set-up, which will consist of the C&SR Officer, Entertainments and Bars Manager and the Bars Manager.
- *SC to publicise the above decision to students.*

### **6054 Banning Order**

- A request was received from NR to ban a student, who had been physically violent to both females and males, on two separate occasions. The request was to ban the student until they have completed their exams. The request was agreed by the MC.

### **6055 Queries from Dean Hazell re: premises**

- DH joined the meeting and asked for clarification on a few points he had heard, in relation to him undertaking some new tasks.

- DB confirmed that he had scheduled a meeting with DH to discuss these issues later that morning.
