

Martela

Bobby

Smaller height-adjustable Bobby is designed for use with laptops. Thanks to its small size and the **lifting groove** under the [table top](#), the table is easy to move wherever it is needed. Bobby works great as a side table in various **lobby and meeting spaces**.

Martela

Bobby

Bigger Bobby is an excellent side table when you need a table for a small space or when there is no need for a large table. The round shapes of the table and the **beveled edge table top** complete the clear-lined look, making it perfect for a variety of furnishings at home or in the office. Thanks to its wide height adjustment, the table can be used while **sitting or standing**.
