

puik

the dutch touch

OPTION

Bring designer style to your domain with Option: coloured dining chairs with a difference. Inspired by primary forms and painted in primary colours, this stackable seating fuses circle and square shapes with a modern, mature touch. Made from steel and finished in wool felt, each dining chair design is distinctive, so you can match or clash as you prefer.

Designer: Frederik Roijé
Material: Steel, felt
Year: 2017
