### Fun for all ages

Fun for the whole family is guaranteed thanks to theme details that will bring Christmas to life in every corner of the park. A **Christmas Market** will be set up in the **Far West** area featuring traditional crafts stalls. Visitors will get into the Christmas spirit as they browse and shop for a variety of foods, jewellery, beauty products and decorations.

In addition, visitors will be able to admire the dexterity of an **ice sculptor**, who will show off his skills as he brings to life all kinds of Christmas figures. There will also be **Snowtubing** in the big China's Plaza: a slide that's designed for children but don't worry...we'll let older visitors have fun too! Anyone who wants to test their acrobatic skills will have the chance to feel just like real professional skaters on the **ice rink** in the México area.

As in previous years, PortAventura will present a wide range of shows for children and adults. Musical entertainment with acrobatics and open-air ice skating performances will enthral crowds while live musicians fill the park with everyone's favourite seasonal melodies.

The popular characters from **Monster High** will also get everyone singing and dancing along to their catchy tunes. Frankie Stein, Draculaura, Clawdeen Wolf, Cleo de Nile and Lagoona Blue, beloved dolls of children all around the world, couldn't bear to miss out on the Christmas party and they will be around to liven up México's La Cantina with a show that will thrill the whole family.

China's Gran Teatro Imperial will host the show **Una Navidad Especial (A Special Christmas)**, an incredible musical. Great attention to detail has been paid to create dances and songs that will transport visitors to a world of surprises. The ice show **Dreaming on Ice** features international skating professionals from various disciplines who will perform a magnificent artistic

and acrobatic display.

Meanwhile, deep inside the **Bosque Encantado (Enchanted Forest)**, elves, wizards and fairies will search for the secret shortcut that leads to the home of Santa Claus.

Younger guests won't want to miss the annual appearance of their favourite characters in **¡Ya es Navidad en SésamoAventura! (It's Christmas in SésamoAventura!)**. They'll also love **La Llegada de los Emisarios Reales (The Arrival of the Royal Emissaries)**. Recently arrived from the East, the king's envoys will embark on a tour of the park to collect the letters from all of the children at PortAventura, ending at the Mediterrània Lake with **La Parada de Navidad (The Christmas Parade)**. The finale will take place on January 5th with the traditional **Procession of the Three Kings** when gifts will be given to all children who visit the park on this very magical night.
