

Zoover rates PortAventura as Europe's Best Theme Park

Hotel Gold River receives the *Quality Mark*, recognising it as one of the best family holiday destinations on the continent

PortAventura, May 7th 2014 – PortAventura has been ranked for the second year running as the Best Amusement Park in Europe after scoring a total of over 90% in positive reviews by users of Zoover, the largest Benelux platform for travel reviews. PortAventura has consolidated its position as a class-leading holiday destination in Spain and Europe, with both the theme park and its hotels playing key roles in the visitor experience.

The park's rating as Europe's best holiday destination was achieved thanks to its 39 attractions, 100-plus daily shows and 10 family play areas, as well as the resort's wide range of shops, restaurants and food outlets. It also recognized the added value of the accommodation options offered by the resort's four themed hotels.

This was reflected in the *Kids ThemeParkTip! Quality Mark 2014* awarded to PortAventura's Hotel Gold River, which highlighted the hotel's facilities and theme detail and categorized it as one of the best spots in Europe for a family holiday. The prize was awarded by readers of the *Kids Vakantiegids* magazine who singled out the high priority given to children and the enjoyable holiday experience at the hotel.
