**Message from Head teacher:** We are really proud of the way most children are wearing full school uniform. It looks very smart. A quick reminder that trousers and skirts need to be grey, not black. Tights and socks for girls need to be black, grey or white. Please could we also ask that hair accessories are blue or white to match the uniform, this includes JoJo bows. PE kit is a plain white T shirt and black shorts/tracksuit bottoms - most children are wearing it and those that don't really stand out. As always, we do understand that life is not straight forward and on occasions washing machines break, shoes get wet etc. We do not mind the odd lapse, just please inform a member of staff. Thank you all for your on going support.

## Consent Forms

**Please make sure the flu consent forms for years Reception, 1, 2, 3 & 4 are returned to school by Monday. This is not an injection, it is a nasal spray. If you do not wish your child to have it, the consent form still needs to be returned.**

Also, if you haven't returned the consent forms for school trips and photographic consent that were sent out in the first week of term, please make sure these are returned to the office. Thank you.

## Wednesday 27th September - World School Milk Day

To celebrate this day and partake in the competition to win £500 of sports equipment we have asked all children to come dressed as cows. As always we never expect you to buy costumes. In fact, the best costumes are always home made. There are many different breeds of cow - not just black and white, use your imagination and impress us.

## Headlice

We have sent home the NHS 'Headlice A Guide to Detection and Treatment' leaflet due to reoccurring headlice outbreaks throughout school. Please check and treat your children accordingly over the weekend. Thank you.
