Litter

We have noticed an increasing amount of litter on our playground, field and the areas surrounding school. Please could we ask parents to be vigilant that children aren't throwing anything out of car windows or that rubbish isn't falling out of their cars when the doors are open. As we all know, plastic litter does not biodegrade. It blights our local countryside, kills wildlife and never disappears, even if it's thrown 'away'. Thank you.

Running Club

We are hoping to set up an after school running club but need a willing volunteer to run the club. If you are interested in helping, please let the office or Mr Wilde know.

FoFLES Meeting - 23rd February

There is a FoFLES meeting on Friday 23rd February at 3:30pm. All welcome!

Class News

Class Lynher - We have been practising mindfulness by doing various activities to focus on our breathing and calm our minds. We have also been learning our new 'wake & shake' routine for after half term. In English we have written handbooks about what we would need to take to the Amazon Rainforest and tips on how to survive. By Jack & James

Class Tamar - We have created our own beasts and have been describing them using descriptive language. We have been learning the French words for clothing and in Digital Literacy we worked with Lynher to do an online safety quiz. By Brodie & Kacie

Class Cremyll (Yr 2) - We have been designing our own superheroes to help children look after their teeth and we made special tooth boxes too. We also created special pictures to cover our worry box. By Josie & Lauren

Class Year 1 - We have written newspaper reports including interviews with people about the gingerbread men in school, making sure we used capital letters and headlines. By Jack & Amelia

Class Plym (FS) - We investigated some clues we had found in school such as letters being left, smarties and crumbs. We realised the letters spelt out gingerbread man. We left a camera overnight and found footage of them running across the table! By Poppy & Morgan

Lost Property

Erin has lost a couple of school jumpers which have her name in. Please can everyone make sure they have the correct jumper at home.

Football Match

Yesterday, we played a match against St Germans and wore our new football kit for the first time. There were no goals by half time and James and Zach worked well in goal. St Germans scored a goal in the last few minutes. The whole team played very well and we all enjoyed playing the match. By Jack & James

Community Use of the Playground

If anybody knows of any community groups that could make use of our school grounds (particularly the playground), please let the office know as it will support our proposal for a grant to have a canopy over the playground. The more people that use the facilities, the stronger our proposal for the grant will be.
