OUR LEARNING JOURNEY -
27th April 2017

Dear Parents and Carers,

I hope you and the children had a lovely Easter break. We are looking forward to the very special Tour de Yorkshire weekend here in Saltaire. We are holding 'Le Disco' 6.30 -8.30 pm on Friday 28th April to celebrate the start of the big event. Some very special art work has and will be produced this week to celebrate the Tour. We are delighted that we have the opportunity to work with our hugely talented artist in residence Sharon Snaylam. Our beautiful Recycle the Cycle was unveiled on Monday rescued from landfill to be our own.

I hope you have the opportunity to pit your wits against the fiendish 'Le Quiz'. Thanks to all the sponsors of the quiz who donated such great prizes and a huge thankyou to one of our grandparents who designed the quiz to raise money for the Friends of Saltaire Primary School. Copies of the quiz will also be on sale from our friends at Edwards St Bakery. Do pop along to their Party in the (car) Park on Caroline Street this Sunday between 10am and 3pm. It will be a great place to show off any decorated bikes, prams or scooters.

On Tuesday 25th April, the new Little Free Library in Hirst Wood was opened by our children and members of the Hirst Wood Regeneration Group. We are delighted that it has been painted in 'Saltaire Blue' to recognise the strong partnership between our school and the work of the Hirst Wood Regeneration Group. Our large scale art work is being installed on the field at the end of the week. We hope it will be filmed as part of the Tour de Yorkshire coverage this weekend.

I would like to extend a very warm welcome to Mrs King who is our new Year 3 teacher, taking over from Mr Cook. We are looking forward to a busy summer term. This newsletter gives details of events for the summer term. More detailed information will be sent about individual events.

Kind regards,

Sally Stoker
