BRYANSTON MATHS CHALLENGE

Last week we took a Year 6 team and a Year 4 team to take part in a 'Maths Challenge Competition' at Bryanston School. There were a range of private and state schools competing.

We had a great time and again we were very proud of

The Curriculum section of our school website?

In this section you will find all you need to know about the teaching and learning in school, including the topics and ARE (Age Related Expectations) for each year group.

GATE REMINDER

The gate needs to be shut at 8:55am in the morning. If the gate is in the process of being locked by the Year 6 gate keepers please bring your child round to the front office.

Thank you!

HOMEWORK CLUB

We have been reviewing our homework policy in light of our recent parent survey, where some parents commented that it was sometimes difficult to get homework completed some weeks. In response to this, we will be running a Homework Club every Tuesday after school, from next Tuesday (31st January)

It will be expected that the children will complete their homework independently. There will be 2 members of staff facilitating the club.

If your child wishes to come to homework club you need to let the school office know, or the teacher on the door in the morning on that Tuesday morning.

It is not expected that children will come every week, but only come when they need to.
