

Thursday 6<sup>th</sup> July 2017

Dear Parents,

We are all looking forward to sports day tomorrow. Events will start at 1pm and the competitions should conclude around 3pm in time for the end of the school day and then the PTFA Family Fun Friday event.

Entrance to sports day will be via the school gate to the field (between the school office and the church). The gate will be opened at 12:45pm to give you time to choose your viewing spot.

Just a few reminders to ensure that sports day runs smoothly:

- All children must have their full school PE kit in school including appropriate foot wear
- Please apply sunscreen to your child in the morning and make sure that they have a sun hat with them with their name inside it
- The children must have a water bottle with them
- Please bring garden chairs or picnic blankets with you so that you can relax and enjoy the afternoon events. There will be ample space for families to watch the races and we ask that you respect the fact that the children will need to stay with their friends and teachers until home time
- After the sports events are completed all of the children will return to their class to get changed and then they will be dismissed from their classroom as usual. This is to ensure that all children are collected by the correct person and also to give the PTFA the opportunity to put the finishing touches to the Fun Friday Activities
- Once you have collected your child we look forward to seeing you at the Fun Friday Event where there will be a raffle, tombolas, games, hot dogs, tea and cakes and lots of fun for everybody

We look forward to an afternoon of sunshine and fun.

Best wishes,

Mrs Helen Brown
