1 March 2016

Dear Parents/Carers

KEY STAGE 1 ACCESS – WEDNESDAY 2 MARCH 2016

Many thanks for your co-operation with the building work disruption so far.

To date we have had 20 windows replaced along with gutter replacements and flat roof refurbishments. Work is still anticipated to continue until early April.

On Wednesday 2 March, there will again be no access to the Key Stage 1 door due to window replacements and internal corridors being closed for safety reasons.

On Wednesday, Key Stage 1 will again line up alongside Years 3, 4, 5 and 6 on the yard and will be escorted inside by their teachers.

At the end of the day, please wait in the same area of the yard and your child will be brought to you.

Many thanks

**Mr A Miller
Headteacher**
