

Charities Afternoon 2017

A special report by Cleo and Ellie

On 10th June 2017, Year 8 helped organise a charities event, supporting 8 different charities. We did this by doing different stalls including raffles, slip 'n' slide, hairspray and loads more – altogether there were 20 different stalls. The weather held out for us and everyone really enjoyed the day, especially Bailie who won a stuffed giant 5ft monkey!!

This is what was raised for each charity :

Tiny Lives £188

Alzheimer's Research UK £140

Make a Wish £168

Cancer Research UK £226

RSPCA £58

Stroke Association £58

RNLI £48

MIND £48

Overall the day was a very successful and not just the pupils and staff enjoyed it, the parents and relatives did too!! Over £900 was raised thanks to the hard work of the Y8 pupils, staff and the generous contributions from companies such as Laidlers, Morrisons, Tesco, the Artisan Experience Bakery, Asda and the Co-op.

Another fundraising event we are supporting is 'Raise The Roof' to raise funds for Seghill Community Centre's much needed new roof. Tiles may be bought for £2, decorated, then they will form part of a mural inside the centre. Rosie will be selling tiles at playtime in the hall, please support your local centre.
