

SWIMMING

Swimming lessons will continue this week for Reception, Year 1, Year 2 and Year 3. Please make sure your child brings their swimming kit and towel into school. The school bus leaves prompt so please ensure your children arrive in school on time. We would urge all parents with Reception Class children to support their child in being self-sufficient with regards to getting changed. This will be a great help to ensure they get the maximum time possible in the pool.

FREE Central Heating

You may qualify for Free Central Heating if:

- You own your home or rent from a private landlord
- You are on a low income or receive income-related benefits
- You do not currently have central heating

For more info see warmupnorth.com/chf before 31st October.
